

111131: Flex Pocket Work Light

The Flex Light provides 120 lumens of lighting and is ideal for use in tight spaces with the ability to bend 90 degrees backwards and forwards. Designed with flexibility in mind, this light comes with a magnetic base and three AAA batteries. The light is sold as part of an eight-unit display case.

111133: Curve Heavy Duty Work Light

The Curve Light provides 300 lumens of lighting using chip-on-board technology. Designed with a curved shape to protect the lens and rubber bumper for durability, it is rugged yet sleek. A hanging hook, magnetic base, and three AAA batteries are included. The heavy-duty work light is sold as part of a six-unit display case.
